Sleepover

Jamie Lynn Spears

You don't know me well enough to see me wear my makeup off
Yeah, but I'd bet you'd like to see my hair all messed up
If we can get through the night without my keys
Then call me in the morning saying you missed me
When you wake up, maybe we could give this another shotCause I like that taking me out, treating me like a lady
Figuring out do I want to be your baby?
Give me that old school dinner for two
You like the Stones? Well hey, me too
I ain't saying you ain't getting to me
Yeah, and I ain't saying I ain't feeling the heat
I ain't drunk and you ain't sober
Sure feels good here leaning on your shoulder
We say no, oh no, no.
We say no, oh no, no.
We say no to sleepover.I think love should take it slow
It's good that they have somewhere to go
But wait, is this electric?
If we go too fast, then we might wreck itTaking me out, treating me like a lady
Figuring out do I want to be your baby?
Give me that old school dinner for two
You like the Stones? Well hey, me too
I ain't saying you ain't getting to me
Yeah, and I ain't saying I ain't feeling the heat
I ain't drunk and you ain't sober
Sure feels good here leaning on your shoulder
We say no, oh no, no.
We say no, oh no, no.
We say no to sleepover.
