Ya I'm an untamed Gorilla
Hit you wit a slug

Find me in the projects straight hood nigga
Red beep beep

Ya I make the chain do flips I'm a wizard
Real nigga say (Hey)
If you go throw money like confetti then let it rain
I'm 8 towns hannibal
Mo Fuckin cannibal
Untamed Gorilla bitch you should of fed the animal
See I been to hell and back
Sold weed, sold crack
Bust first, bust back

You know what a man nigga gunna do
You know what a man nigga been through
Now you don't want beef with you know who
