

Long Before I Die

Armored Saint

You got yours, baby I got mine
We just can't seem to make ends meet
Don't you realize when jumpin' in the water
You're gonna get wet past knee deep Give in
Give and take
Taken by mistake Sooner or later deceit's gonna hit
Lay your cards on the table and draw
From now on I call the shots
Long before I die, long before I die Give in
Give and take
Taken by mistake From now on I call the shots
Long before I die, long before I die
