

# In and Out of Love

Holly Johnson

Pa pa pa pa pa pa  
Pa pa pa pa pa pa Feeling you're gonna get the ceiling  
Just who are you deceiving yourself or someone falling, in and out In and out of Love,  
What are you thinking of?  
In and out of Love,  
Your heart has had enough! Pa pa pa pa pa pa  
Pa pa pa pa pa pa  
Dreaming your smile for every beaming  
You know that time is fleeting  
So never stop your grieving, in and out  
In and out of Love,  
What are you thinking of?  
In and out of Love,  
Your heart has had enough! And through our whole eternity  
I forgive you, you forgive me  
Let it float from your soul,  
Let it go, let it go!  
Let it go! In and out of Love,  
What are you thinking of?  
In and out of Love,  
Your heart has had enough!  
Pa pa pa pa pa pa  
Pa pa pa pa pa pa  
(In and out of Love  
In and out of Love)
