

# Calling You

## Blue October

It's something I can't quite explain  
I'm so in love with you  
You'll never take that away  
And if I've said a hundred times before  
Expect a thousand more  
You'll never take that away So expect me to be  
Calling you to see  
If you're okay when I'm not around  
Asking "if you love me"  
I love the way you make it sound  
Calling you to see  
Do I try too hard to make you smile?  
To make a smile Well I will keep calling you to see  
If you're sleeping are you're dreaming  
If you're dreaming, are you dreaming of me  
I can't believe you actually picked me I thought that the world had lost it's sway  
(It's so hard sometimes)  
Then I fell in love with you  
(Then came you)  
And you took that away  
(It's not so difficult  
The world is not so difficult)  
You take away the old  
Show me the new  
And I feel like I can fly when I stand next to you  
So while I'm on this phone  
A hundred miles from home  
I'll take the words you gave me and send them back to you I only want to see  
If you're okay when I'm not around  
Asking "if you love me"  
I love the way you make it sound  
Calling you to see  
Do I try too hard to make you smile?  
To make a smile Well I will keep calling you to see  
If you're sleeping are you're dreaming  
If you're dreaming, are you dreaming of me  
I can't believe you actually picked me Well I will keep calling you to see  
If you're sleeping are you're dreaming  
If you're dreaming, are you dreaming of me

I can't believe you actually picked me Well I will keep calling you to see

If you're sleeping are you're dreaming

If you're dreaming, are you dreaming of me

I can't believe you actually picked me Whoa oh oh oh oh oh oh oh oh

Oh oh oh oh Whoa oh oh oh oh oh oh oh oh

Oh oh oh oh Whoa oh oh oh oh oh oh oh oh

Oh oh oh oh Whoa oh oh oh oh oh oh oh oh

Oh oh oh oh Whoa oh oh oh oh oh oh oh oh

Oh oh oh oh
