

Bi-Sexual Babe

Broomstick Witches

MY BI-SEXUAL BABEShe's my bi-sexual babe
she's my bi-sexual babe
she's neurotic
a little psychotic
she's demonic
and very erotic
but she turns me on
and she gets me up
when I'm feelin' down
she's my bi-sexual babe
she's my bi-sexual babe
she's my bi-sexual babe
she's my bi-sexual babe
and she turns me on
and she gets me up
when I'm feelin' down
she digs her magic mushrooms
burning incense in her dark bedroom
and she turns me on
and she gets me up
when I'm feelin' down
she's my bi-sexual babe
she's my bi-sexual babe
she grows her weed in secret places
daily wears a dozen scary faces
but she turns me on
and she gets me up up up
when I'm feelin' down
she's my bi-sexual babe
she's my bi-sexual babe
she's my bi-sexual babe(c) 2012 Rick Super
