

# Girl Like You

## Union J

Well I'm not the kind of guy you show to your mother  
'Cause when I got somebody, I'm looking for another  
I only know how to play it cool  
But you're the exception to the rule  
'Cause with the lips like that  
Any guy's gonna suffer  
And it makes me wonder What is a girl like you doing?  
In a mind like mine?  
I can show a girl like you  
How to have a real good time  
Don't wanna imagine, I just wanna have you  
More than in my head tonight  
So what is a girl like you doing?  
In a mind like mine? Let me show you all the ways that we can get in trouble  
We could go all night, regret it by tomorrow  
I only know how to walk away, hey, hey  
But here with you I just wanna stay, hey, hey  
'Cause a single shot at you makes a guy want a double  
And I have to wonder  
What is a girl like you doing?  
In a mind like mine?  
I can show a girl like you  
How to have a real good time  
Don't wanna imagine, I just wanna have you  
More than in my head tonight  
So what is a girl like you doing?  
In a mind like mine?  
What is a girl like you doing?  
In a mind like mine?  
I can show a girl like you  
How to have a real good time  
Don't wanna imagine, I just wanna have you  
More than in my head tonight  
So what is a girl like you doing?  
In a mind like mine?
