One minute

Crocodile Mansion

Love don't keep me waiting all alone
Let me tell you what I need I'm anticipating
My own prince from a Cinderella dream
Then I looked up and there you were
With a sweet love that rocked my world
It felt like a fantasy
Up until the day you had to leave me
I needed more time I feel cheated
One minute you came, one minute you're mine
One minute of life one minute you leave
One minute I cry 'cause without your love
One minute's too much
Time just seems to stand still
Seconds tick each one like eternity
Only you can free me from this jail
Only our love holds the key
I played with love and thought I'd win
But found out all good things must end
I wish I would have known
The seconds and the minutes and the hours
It's all precious time and I need one more night
One minute seems so long, so long
I can never do without
Your lovin' 'cause it's so good, so good
You make every minute of lovin' count
So hurry back home to me
And love me like you used to do
I'm tellin' you I will not forget it
I won't waste one minute of love
