Dare To Live

Ascraeus

There's a big old world outside of my door
Ain't gonna sit and watch it spin by no more
'Cause it ain't slowing down or waiting on me
I'm gonna grab what I can while it's within my reach
I'm gonna dare to live, I'm gonna live to learn
I'm gonna learn to dream and I'm gonna dream big
I'm gonna take a risk and risk it all
'Til my all is all I have to give, I'm gonna dare to live
You know the past can steal your joy away
We're not promised tomorrow, all we got is today
With each sunrise there's a brand new start
So take a deep breath and go and follow your heart
And dare to live, live to learn
Learn to dream and you gotta dream big
You gotta take a risk and risk it all
'Til your all is all you have to give, you gotta dare to live
So take the chance
Make the choice
Start writing your own story
I'm gonna dare to live, I'm gonna live to learn
I'm gonna learn to dream and I'm gonna dream big
And take the risk and risk it all
'Til my all is all I have to give
I'm gonna dare to live, yeah, oh yeah
I'm gonna dare to live, yeah
I'm gonna dare to live
