

# How Can You Mend a Broken Heart

Al Green

I can think of younger days  
When living for my life was everything a man could want to do  
I could never see tomorrow  
I was never told about the sorrow And how can you mend a broken heart?  
How can you stop the rain falling down?  
Tell me how can you stop the sun from shining?  
What makes the world go 'round? How can you mend this broken man?  
How can a loser ever win?  
Somebody please help me mend my broken heart  
And let me live again I can still feel the breeze that rustles through the trees  
And misty memories of days gone by  
But we could never see tomorrow  
It would be that no one, no one ever told us about the sorrow So how can you mend a broken heart? And mine is  
How can you stop the rain falling down?  
How can you stop the sun from shining?  
What makes the world go 'round? And sometimes after saying, say  
La, la, la, la, la, la, yeah, la, la, la, la  
Tell me, help me mend my, my broken heart  
I just wanna, I just wanna, I just wanna, I just wanna  
I just wanna live again, baby How can you mend this broken man?  
Somebody tell me, and how can a loser ever win?  
Baby, help me mend this old broken heart  
I think I, I know I, I believe I, I feel like I gotta  
I feel like I'm going to live again How can you mend this broken heart?  
Somebody please tell me  
How can you stop the rain from falling down?  
Although my clothes are all wet, tell me  
How can you mend my, please help me mend my broken heart  
I think I, I believe I, I got a feeling that I want to live and live and live
