Perversion of Gore

Nunslaughter

Excrete upon the cross of God
Severed heads adorn my palace
Entrails strewn upon the cross of God
Divine agony sacrificeYour God has fallen into
Perversion of GoreRotting zombies kill with hate
Violent expulsion of the word of God
Distorted mass of flesh and bone
Sadism of a tortured mindThe mass of flesh reeks
Perversion of GoreHumans drenched in blood
Decay flesh begins to rot
Coma souls lie in hell
Weak will die in painThe God of man turned
Perversion of Gore
