Holler

People Like Us, Matmos and Wobbly

I wanna make you holler
Imagine us together
Don't be afraid to play my game
Boy don't you hesitate
I won't keep waiting for you
To come and let me take
You to my fantasy room
You're gonna like it there
And all the things that I do
I'll treat you right
All through the night
We can do anything
I'll take you all the places you wanna be
(I'll take you there, I'll take you there)
I'll be your fantasy
Everything you want you will find in me
If you play my game, yeah
I wanna make you holler
And hear you scream my name (scream my name)
I'll give you rules to follow (oh)
So you can play my game (play my game)
Imagine us together (together)
Me driving you insane (driving you insane, yeah)
You will give into me (into me)
Don't be afraid to play my game (just play my game)
So what you gonna do
Now that I've got you with me
You've gotta show me boy
'Cos nothing comes for free
Start from the bottom and
Work your way up slowly
Don't be afraid to play my game
We can go all night long
Doing things you thought you would never do
(And I won't tell, no no)
I won't tell anyone
What we do it's just for me and you
So come and play my game
I wanna make you holler (oh)

And hear you scream my name (scream my name, yeah yeah)
I'll give you rules to follow
So you can play my game (you can play my game)
Imagine us together (imagine us)
Me driving you insane (driving you insane)
You will give into me (into me, yeah)
Don't be afraid to play my game

I wanna make you holler (holler holler)
And hear you scream my name (make you scream my name)
I'll give you rules to follow (follow follow)
So you can play my game (you can play my game)
Imagine us together (imagine us)
Me driving you insane (driving you insane)
You will give into me (ah, yeah)
Don't be afraid to play my game
I wanna make you holler
I wanna make you holler ah ah ah holler
I wanna make you holler
I wanna make you holler ah ah ah holler
We can go all night long
Doing things you thought you would never do
(And I won't tell, no)
I won't tell anyone
'Cos everything is just between me and you
But you gotta play my game, yeah
I wanna make you holler (all night)
And hear you scream my name (all night long)
I'll give you rules to follow (follow babe)
So you can play my game (you can play my game)
Imagine us together
Me driving you insane (me driving you insane)
You will give into me (give into me)
Don't be afraid to play my game
I wanna make you holler
And hear you scream my name
I'll give you rules to follow
So you can play my game
Imagine us together
Me driving you insane
You will give into me
Don't be afraid to play my game
I wanna make you holler
And hear you scream my name
I'll give you rules to follow

So you can play my game
Imagine us together
Me driving you insane
You will give into me
Don't be afraid to play my game
I wanna make you holler
I'll give you rules to follow
Imagine us together
Me driving you insane
You will give into me
