## Screeching Weasel

will i get locked up in the mental ward am i headed for a straitjacket or am i just bored is it genetics or is it me  
pulling my hair out wondering what does a nervous breakdown look like sometimes these things heal as you get  
old you know jimmy piersall doesn't climb backstops anymore there's no more xanax valium or beer and i'm  
just waiting to find out what does a nervous breakdown look like
