

# Solitary

## VNV Nation

Set me aflame and cast me free, away, you wretched world of tethers  
Through the endless night and day I have never wanted more  
Always thought that I would stand before the faceless name of justice  
Like some law unto myself, like a child of God againAnd if rain brings winds of change let it rain on us forever  
I have no doubt from what I've seen that I have never wanted more  
With this line I'll mark the past as a symbol of beginning  
I have no doubt from what I've seen that I have never wanted moreIn this picture stands a man, far away, alone  
and distant  
Like a solitary field in some nameless foreign land  
All around the points of light start to dim and cease transmitting  
Shadows fell on futile games and then there was nothing moreThrough the screams of falling steel, by the light  
of flares and wisdom  
All the doubts I could not face, all this time I wanted more  
With a line I'll mark the past as a symbol of beginning  
To the gods whose names we've lost and the names who gave in vainAnd if rain brings winds of change let it  
rain on us forever  
I have no doubt from what I've seen that I have never wanted more  
With this line I'll mark the past as a symbol of beginning  
I have no doubt from what I've seen that I have never wanted moreSet me aflame and cast me free, away, you  
wretched world of tethers  
Through the endless night and day I have never wanted more  
Always thought that I would stand before the faceless name of justice  
Like some law unto myself, like a child of God againAnd if rain brings winds of change let it rain on us forever  
I have no doubt from what I've seen that I have never wanted more  
With this line I'll mark the past as a symbol of beginning  
I have no doubt from what I've seen that I have never wanted moreSever the line to the guilty past, to the ones  
who brought us nothing  
Spoke of futures brave and proud and brought only hate and war  
Lined the roads with hollow praise, marked the land with paper statues  
Shadows fell on their futile ways and then there was nothing more
