

Danse (feat. DEV)

Mia Martina

Tell me your secret's my weakness
I'm only here for the weekend
I already got you thinking, thinking
Like a wifey, husband
She never will be, was me
Trust me I'll be the best thing you ever had
You know I'm good but I've gone bad
You know I shoulda but I know I can
Under the moon, grab my hand, hand And let's dance, put you in a trance
Like you were my man, like we was in France
Let's dance, put you in a trance
Like you were my man, like we was in France By the way I'm really
Tranquila, vito
Bonita, moves real slowly
Dance You and me, we are together
Forever as one, as one
It's not over til it's over
Move your body
As one, as one When the music starts to play
We can dance the night away
I won't let you get away tonight
Once your body starts to move
I'm gonna let go of you
There's just one thing left to do tonight Je veux danse, Danse
Je veux danse, Danse
Je veux danse, Danse y on danse
Danse y on danse
Danse y on danse y on danse y on danse y on
Danse danse danse danse
Je veux danse avec toi
Je veux danse avec toi I know this love will last forever
Us together
As one, as one
Lost here in the moment
Til the morning
As one, as one When the music starts to play
We can dance the night away
I won't let you get away tonight
Once your body starts to move

I'm gonna let go of you
There's just one thing left to do tonightJe veux danse, Danse
 Je veux danse, Danse
 Je veux danse, Danse y on danse
 Danse y on danse
 Danse y on danse y on danse y on danse y on
 Danse danse danse danse
 Je veux danse avec toi
Je veux danse avec toiDanse y on danse y on danse y on danse y on
 Danse danse danse danseWhen the music starts to play
 We can dance the night away
 I won't let you get away tonight
 Once your body starts to move
 I'm gonna let go of you
There's just one thing left to do tonightJe veux danse, Danse
 Je veux danse, Danse
 Je veux danse, Danse y on danse
 Danse y on danse
 Danse y on danse y on danse y on danse y on
 Danse danse danse danse
 Je veux danse avec toi
