Eveline

The Rifles

I'm gonna open up your eyes into the light
I'll be the shadow in the night
I'm gonna be the heavy rock that breaks your fall
Outside your house
I'll be the writing on the wall I'm gonna be there
when you cry
I'm gonna clip your wings
And break your loving arrows
In only me will you confide
My Eveline
Girl you're forever mine.
And each time you feel the weight girl
I will be the load
I'll be the bump that's in the road
And every time that you lay
down to close your eyes
I'll be demon that you just can't exorcise
I'm gonna be there when you cry
I'm gonna clip your wings
And break your loving arrows
In only me will you confine
My Eveline
You're only killing time.
Don't run and hide
You're just killing time
No one gets your heart
Your heart is mine.
