

G-Funk

Nate Dogg

You know G is for the gang of money I make
F is for the gang of fools I break
U is for the undisputed champ
N is 'cause you never gonna get the mic back
K is for the niggaz that I knock on they back
Damn, it feels good to see Long Beach on the map
Till the day I'm dead, I'm gonna keep that shit real
Now you niggaz know G-Funk's for real To those people who don't believe in G-funk
Tried to take my style and make a quick buck
Here's a message to one and all
Your pass is revoked and then I'm havin' a ball Any questions, come and see me
The king of G-Funk, the one and only
Congratulations! You sound like Nate
