Magonia

i'll be a killer whale when i grow up
i'll be a vulture
i'll be an animal
a carnivore
i'll be a monster
clenching my jagged jaws
over the capture
i'll be a killer whale when i grow upi'll be a tidal wave when i grow up
crashing on harbours
i'll be a tempermental element
a raging wateri'll be a perfect storm swallowing over
i'll ba a killer whale when i grow up
i'll be a monsteri'll be a hurricane when i grow up
an ugly thunder
i'll be a forest fire about to flood
over an empire
i'll be an avalanche chewing its rupture
i'll be a killer whale when i grow up
i'll be a monsteri'll be a killer whale
