That's How You Know

Amy Adams

How does she know you love her?
How does she know she's yours?How does she know that you love her?
How do you show her you love her?How does she know that you really, really, truly love her?
How does she know that you love her?
How do you show her you love her?
How does she know that you really, really, truly love her?It's not enough to take the one you love for granted
You must remind her or she'll be inclined to sayHow do I know he loves me?
How do I know he's mine?Well, does he leave a little note to tell you
You are on his mind?
Send you yellow flowers when the sky is gray?
HeyHe'll find a new way to show you
A little bit everyday
That's how you know
That's how you know he is your loveYou got to show her you need her
Don't treat her like a mind reader
Each day do something to lead her
To believe you love herEverybody wants to live happily ever after
Everybody wants to know their true love is trueHow do you know he loves you?
How do you know he's yours?Well, does he take you out dancing
Just so he can hold you close?
Dedicate a song with words
Meant just for you?
OohHe'll find his own way to tell you
With the little things he'll do
That's how you know
That's how you know he's your love
He's your love
He's your loveThat's how you know he loves you
That's how you know it's trueBecause he'll wear your favorite color
Just so he can match your eyes
Rent a private picnic
By the fire's glow
OhhHis heart will be yours forever
Something everyday will show
That's how you know
That's how you knowThat's how you know
That's how you know
That's how you know
That's how you know he's your loveThat's how she knows that you love her

That's how you show her you love her (That's how you know)
You've got to show her you need her
Don't treat her like a mind reader (That's how you know)
That's how she knows that you love her
That's how you know that you love her
It's not enough to take the one you love for granted (He's your love)
