

# One Headlight

## Paradise Fears

So long ago, I don't remember when  
That's when they say I lost my only friend  
Well, they said she died easy of a broken heart disease  
As I listened through the cemetery trees I've seen the sun comin' up at the funeral at dawn  
The long broken arm of human law  
Now it always seemed such a waste, she always had a pretty face  
So I wondered how she hung around this place Hey, come on try a little, nothing is forever  
There's got to be something better than in the middle  
But me and Cinderella, we put it all together  
We can drive it home with one headlight She said it's cold, it feels like Independence Day  
And I can't break away from this parade  
But there's got to be an opening somewhere here in front of me  
Through this maze of ugliness and greed and I seen the sun up ahead At the county line bridge  
Sayin' all there's good and nothingness is dead  
We'll run until she's out of breath, she ran until there's nothin' left  
She hit the end, it's just her window ledge Hey, come on try a little, nothing is forever  
There's got to be something better than in the middle  
But me and Cinderella, we put it all together  
We can drive it home with one headlight Well, this place is old, it feels just like a beat up truck  
I turn the engine, but the engine doesn't turn  
Well it smells of cheap wine and cigarettes  
This place is always such a mess Sometimes I think I'd like to watch it burn  
I'm so alone, and I feel just like somebody else  
Man, I ain't changed, but I know I ain't the same  
But somewhere here in between the city walls of dyin' dreams  
I think her death it must be killin' me Hey, come on try a little, nothing is forever  
There's got to be something better than in the middle  
But me and Cinderella, we put it all together  
We can drive it home with one headlight
