

# Left Behind

## Slipknot

I've known faces that have disappeared in time  
Find me wrapped in glass and slowly soaked in lime  
All my friends have pictures meant to make you cry  
I've seen this and wondered what I've done to calcify

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

I can't stand to see your thalidomide robot face

I don't even try it you have to be a liar

Just to infiltrate me, I'm still drowning

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

Take this away, take this away

I can feel it on my mouth

I can taste you on my fingers

I can hear you like the holy ghost

And kill you if you get too close

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

I ignore you

As I close my eyes I feel it all slipping away

I come towards you

We all got left behind, we let it all slip away

We let it all slip away

We let it all slip away

We let it all slip away

Slip away, slip away, slip away
