Beautiful You

Bebo Norman

I can't stand the sound
Of losing control
But whenever you're around
I can't find the breath to speak at allI need you to be careful with mePlease don't go away
Please don't leave me here
I know if you don't stay
My heart will disappear
I need beautiful youYour love brings me in
And swallows me whole
But underneath your skin
Is the only peace I knowAll that I need is you here with mePlease don't go away
Please don't leave me here
I know if you don't stay
My heart will disappear
I need beautiful you
I need beautiful you
Beautiful youPlease don't go away
Please don't leave me here
I know if you don't stay
My heart will disappear
My world will disappear
I need beautiful you
I need beautiful you
I need beautiful you
