

Mutilation

Death

Advisory - the following lyrics contain explicit language:

Massacred, hacked to death, my revenge
Slicing deep into your flesh, the pain intense
Dreams of hate, misery fill my mind
Puke in your face in disgust, it's time to die You must die in pain
You must die in pain Mutilation, mutilation
Mutilation, mutilation
Mutilation, mutilation Staring your severed head in the face
I celebrate a fagot's death, human disgrace
Hanging your mangled corpse for display
My revenge was filled by this day You must die in pain
You must die in pain Mutilation, mutilation
Mutilation, mutilation
Mutilation mutilation You must die in pain
You must die in pain
You must die in pain
You will die in pain Mutilation, mutilation
Mutilation, mutilation
Mutilation, mutilation
