

Take heed

Vaya Con Dios

The seed you sow
Thatâ€™s what you gonna reap
The seed you sow
Thatâ€™s what you gonna reap
The seed you sow
Thatâ€™s what you gonna reap
The seed you sow
Thatâ€™s what you gonna reap

Mankind take heed
Take heed take heed mankind
Mankind take heed
For the seed you sow mankind
Thatâ€™s what you shall reap
Take heed take heed mankind
Mankind take heed
For the seed you sow mankind
Thatâ€™s what you shall reap

You canâ€™t plant corn and reap yam
I said you canâ€™t plant corm and reap yam
The fruit from your labour
Thatâ€™s what you gonna eat
The fruit from your labour
Thatâ€™s what you gonna eat

Mankind take heed
Take heed take heed mankind
Mankind take heed
For the seed you sow mankind
Thatâ€™s what you shall reap
Take heed take heed mankind
Mankind take heed
For the seed you sow mankind
Thatâ€™s what you shall reap

From creation
Man has caused destruction
From creation
In every generation

Dispensation
