

# When You Get Home

Montell Jordan

Keep on makin' it hot, keep on makin' it hot  
Keep on makin' it hot, keep on makin' it hot  
Keep on makin' it hot, keep on makin' it hot  
Keep on makin' it hot You're fascinating, yet mysterious  
So captivating I'm just curious is heaven missing you?  
'Cause Lord knows when you're gone, I do  
So when you get home girl When you get home tonight here's what I'd like to do  
Start in the shower, massage ya till you're in the mood  
When you get home tonight girl, I'll show you  
I want you and I want you to want me too Girl, your shower's ready steamy hot for you  
Crystal popped for two to get you in the mood  
I'll sing like Marvin Gaye 'cause girl I want you more  
Every single day, tell me Who, who loves you baby, more than I do?  
Maybe God above  
And who, takes good care of you when you're lonely?  
You're my tender love, oh girl When you get home tonight here's what I'd like to do  
Start in the shower, massage ya till you're in the mood
