I Threw A Brick Through A Window

U2

I was talking
I was talking to myself
Somebody else, talk, talk, talking
I couldn't hear a word, a word you saidHe was my brother, brother
I said there was no other way out of here
Be my brother, brother
Gotta get out, gotta get outI was walking
I was walking into walls
I'm back again
I just keep walkingI walk into a window, to see myself
And my reflection
When I thought about it, my direction
Going nowhere, going nowhereNo one, no one is blinder
Than he who will not see
No one, no one is blinder
Than meI was talking
I was talking in my sleep
I can't stop talk, talk, talking
I'm talking to you, it's up to youBe my brother, brother
There is another way out of here
Hear my brother, brother
Gotta get out, gotta get out
Gotta get out of here
