

# I Threw A Brick Through A Window

U2

I was talking  
I was talking to myself  
Somebody else, talk, talk, talking  
I couldn't hear a word, a word you said  
He was my brother, brother  
I said there was no other way out of here  
Be my brother, brother  
Gotta get out, gotta get out  
I was walking  
I was walking into walls  
I'm back again  
I just keep walking  
I walk into a window, to see myself  
And my reflection  
When I thought about it, my direction  
Going nowhere, going nowhere  
No one, no one is blinder  
Than he who will not see  
No one, no one is blinder  
Than me  
I was talking  
I was talking in my sleep  
I can't stop talk, talk, talking  
I'm talking to you, it's up to you  
Be my brother, brother  
There is another way out of here  
Hear my brother, brother  
Gotta get out, gotta get out  
Gotta get out of here
