

Trick Or Treat (Outtake)

Otis Redding

You say you love me, babe
But you don't know
When I tell you I wanna take you out
And you just don't want to go, girl So if you love me (Don't say you like me)
And if you like me (Don't say you love me)
I can't wait to Halloween to find out
If its Trick or Treat I love you, babe
But you play too many games, girl
Cause you know, you know, you know
That ain't where it's at baby 'Cause if you love me (Don't say you like me)
And if you like me (Don't say you love me)
I can't wait to Halloween to find out
If its Trick or Treat You can make life good, or make it a drag
With all those good things you got cooking in your bag Now won't you treat me, baby
Cause you've got just what it takes, girl
I've been tricked so many times before
For everything I've made, girl So if you love me (Don't say you like me)
And if you like me (Don't say you love me)
I can't wait to Halloween to find out
If its Trick or Treat
