

Livin' a Lovin' Lie

Clay Shelburn

Livin A Lovin Lie
Outside I smile for the cameras
inside I slowly die
Ive always shown you
What you wanna see
Livin a loving lie
My soul begs for love to look in through
The cracks of the shell that you like
Desperately wishing for unchained love
I cry to myself at night
Living a loving lie
Livin a loving lie
You love the lie
That I'm living for you
Livin a loving lie
I confess that I played your mind
With hopes that you could love a wounded heart
Woe is me so i testify
It was over from the start
Livin a loving lie
Livin a loving lie
Your love the lie
That i am living for you
Livin a loving lie
