Mother's Song

Kathy Zavada

dont ask questions
beg forgiveness
make ammends
walk don't run
goooood its gettin hard to breeeeeeathe
remember mother's song
i remember mother's song
i remember mother's sooooooooong
do you hear me nooooooow
do you hear me nooooooooooooow
mooooootherrrr
learn your lesson
make decisions
poke holes on the top
so i can breathe
keep the lid on tight
(tonight)
remember mother's soooong
(ooooooooh)
remember mother's sooooooong
(ooooooooooh)
remember mother's sooooooooooooooooooong
i remember mother
remember mother
i remember motheeeeer
i remember mother
remember mother
i remember motheeer
i remember mother
remember mother
i remember motheeeeer

i remember mother
remember mother
i remember motheeer
on an isle thats far way
theres a place i long to play
on a magic singing street
I know more than u can know

but u never ask to hear
so my voice is gone away
it's been muted by my tears
yeah - ooooh mother
i remember mother
remember mother
i remember motheeeeer
i remember mother
remember mother
i remember motheeer
haha
i remember mother
remember mother
i remember motheeeeer
i remember mother
remember mother
do u hear me now
my mother, my mother
do you hear me now
oooooohhhh mother
oooooohhh mother
ooooooooohhh mother
