Friends Are Forever

By Betsy Q.

CHORUS:

Do you know it? You're my pal. You're a friend of mine.

Do you know it? You're my palâ€™â€™til the end of time.

Friends are forever! It's meant to be.

Friends are forever â€™cause love is the key!

Oh! Oh! Friends forever and ever, we will be.

Verse 1:

If you're feeling lonely, I will fill you with joy!

I'll help you with your homework. You can play with my toys.

You can whisper little secrets in my ear.

I'll be there if you need for me to dry your tears.

Oh! Oh! Friends forever and ever, we are friends.

CHORUS:

Verse 2:

I'll laugh at all your jokes. We'll take a walk in the park.

I'll be there if you need me when you're scared of the dark.

If we ever have a fight, I'll say I'm sorry to you.

If you fall and scrape your knee, I'll know just what to do.

Oh! Oh! Friends forever and ever, we are friends.

CHORUS:

Do you know it? You're my pal. You're a friend of mine.

Do you know it? You're my pal 'til the end of time.

Friends are forever! It's meant to be.

Friends are forever 'cause love is the key!

Oh! Oh! Friends forever and ever, we will be.

Friends forever and ever, we will be.

Do you know it? Yes, I know it! You're my pal.

Do you know it? Yes, I know it! You're my pal.

Do you know it? You're my best friend. You're my pal.

Forever and ever and ever and ever. You can always count on me!

We're friends! We're pals!
