Dark Fade

Warlock

You're only seventeen Today or tomorrow You expect a Surprise Full of erotic The first that you can see But you don't know She's full of lies When she passes you by You believe that she's alright Your eyes aren't Seeing clear When she can sign She takes possession You don't know Her combat mission Oh it's a dark fate - for you Dark fate for you Dark fate for you Oh dark fate for you Your fate is sealed At that moment When you meet her Slow but sure You feel so sad You can't go back You're only seventeen Today or tomorrow You expect a Surprise Full of erotic The first that you can see But you don't know She's full of lies When she passes you by You believe that she's alright Your eyes aren't Seeing clear When she can sign

She takes possession

You don't know

Her combat mission

Oh it's a dark fate - for you

Dark fate for you

Dark fate for you

Oh dark fate for you

Your fate is sealed

At that moment

When you meet her

And slow but sure

You feel so sad

You can't go back

Slow but sure

You feel so sad

You can't go back

You're only seventeen

Today or tomorrow

You expect a

Surprise

Full of erotic

The first that you can see

But you don't know

She's full of lies

When she passes you by

You believe that she's alright

Your eyes aren't

Seeing clear

When she can sign

She takes possession

You don't know

Her combat mission

Oh it's a dark fate - for you

Dark fate for you

Dark fate for you

Dark fate for you

Your fate is sealed

At that moment

When you meet

And slow but sure

You feel so sad

You can't go back
