

# Club Can't Handle Me (feat. David Guetta)

## Flo Rida

You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
    Watchin' you watchin' me I go all out  
    The club can't even handle me right now  
The club can't even handle me right nowHey  
    I own the night and I don't need no help  
    Gotta be the feeling that Scarface player  
    Stuntin' go wild can't handle this plan  
    Life of the club arrogant like yeah!  
    Top like money all the girls just melt  
    Want so many all know me like Twelve  
    Look like cash and they all just stare  
    Bottles, Models, standin' on chairs  
    Fall out cause that's the business  
        All out it's so ridiculous  
        Zone out so much attention  
        Scream out I'm in the building (hey!)  
        They watchin' I know this  
        I'm rockin' I'm rolling  
        I'm holding, I know it  
    You know itYou know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
    Watchin' you watchin' me I go all out  
    The club can't even handle me right now  
The club can't even handle me right nowHey  
    Still feelin' myself I'm like outta control  
    Can't stop now more shots lets go  
    Ten more rounds can I get a K-O  
    Paparazzi trying to make me pose  
    Came to party till I can no more  
    Celebrate cause that's all I know  
    Tip the groupies takin' off their clothes  
        Grand finale' like Superbowl  
        Go hard run the show  
    That's right wild out got money to blow  
    More lights more ice when I walk in the door  
        No hype I do it big all over the globe

Yeah!  
I said it  
Go tell it  
Confetti  
Who ready?
