

# Heart of Life

**John Mayer**

I hate to see you cry  
Laying there in that position  
There's things you need to hear  
So turn off your tears and listenPain throws your heart to the ground  
Love turns the whole thing around  
No, it won't all go the way, it should  
But I know the heart of life is goodYou know it's nothing new  
Bad news never had good timing  
But then the circle of your friends  
Will defend the silver liningPain throws your heart to the ground  
Love turns the whole thing around  
No, it won't all go the way, it should  
But I know the heart of life is goodPain throws your heart to the ground  
Love turns the whole thing around  
Fear is a friend who's misunderstood  
But I know the heart of life is goodI know it's good.
