

The Top of My Head

Gerald Levert

Ooh, oh baby, come on baby
I just wanna groove one time, oh Come here, let me talk to you, say
I'm here tryin' to get you into the mood, baby, ooh
Into my room, wanna groove with you, yeah
(Take it off) Lay you down on my pillow
Ain't no limit to how far I might go, no I'm in the mood, we're gonna groove
Till the morning time
Till the sun shines, yeah
Till I hear you say Ooh baby, don't cha stop it now, say
Ooh, sugar, it's time for you to go down there
Ooh baby, I wanna give it good, say
I'm gonna be your man
Said, I'm tryna do my best at
At the top of my head I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove off the top of my head Ain't tryna give you no old corny lies
(Just take it off)
Just wanna do what it takes to make you mine
Baby, I'm in the mood and I wanna groove with you
One time, two times, three times, baby
(All night) Till I hear you say
Ooh, baby, please don't stop it now, say
Ooh, baby, you could turn this ass around
Ooh, sugar, I wanna make it good
Now come here sugar
And all of this is off the top of my head I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove off the top of my head Lovin' totally, all over yours and my body
You like it right there?
Do ya like it down there?
What about here, baby? Till I hear ya say

Ooh, baby, I feel like I never felt
Ooh, baby, the love you give gon' make me mad
Ooh, sugar, don't stop what you do to me
I wanna make ya feel like you live in ecstasy
Oh, top of my head I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove off the top of my head I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you I'm in the mood and you in the mood
I wanna groove, 'cuz I'm feeling you
I'm in the mood and you in the mood
I wanna groove off the top of my head
