You Let Yourself Down

Rollins Band

I remember when you told me that you had it all nailed down
I remember when you told me that you had it all sewn up
You said you'd go all night long
All night long
All night long
You said you'd go all night long
You let yourself down
Let yourself down
You let yourself down again
You let yourself down
Let yourself down
Let yourself down
Let yourself down
Let yourself down
Let yourself down
Hang like hang man, junk like junk yard
Live off girlfriend, say how life's hard
All night long
All night long
You said you'd go all night long
Let yourself down
You let yourself down again
You let yourself down
Let yourself down
Let yourself down
Let yourself down
Let yourself down
Let yourself down
You used to date porno, now you just rent
Do you really wonder where the good times went?
Everyone around you saying you're the man
Now you're standing in the mirror saying I'm the man
All night long
All night long
You said you'd go all night long
Let yourself down
Let yourself down
You let yourself down again
You let yourself down

Let yourself down
Let yourself down
Let yourself down
Let yourself down
Let yourself down
