Valya

Mariachi El Bronx

Friends and family they gather round
The tears are falling on holy ground
Come and lay your head on my shoulder tonightLove is patient and love is true
So says the angel in you
Someone's always been telling us what to doReturn to sender
Nothing last forever
No matter how much we want it to
Return to sender
Into the never
Someone is calling for you
There's no callous and there's no closure
No more calls to say "I'm coming over"
Hold me close and then hold me closer tonightReturn to sender
Nothing last forever
No matter how much we want it to
Return to sender
Into the never
Someone is calling for youReturn to sender
Nothing last forever
No matter how much we want it to
Return to sender
Into the never
Someone is calling for you
Someone is calling for you
Someone is calling for you
Someone is calling for you
Someone is calling for youSomebody's calling for you
