LÃƒYpsley

This is how I'm seeing us go
This is how I'm seeing us go

I'm higher than I was before
Higher than I was before
(This is how I'm seeing us go)
Higher than I was before
Higher than I was before
(This is how I'm seeing us go)

I set the deal straight
But 24/7 ... I can't wait
I will turn and walk away
If you want me to
If it's best for you
If you want me to

I wouldn't say that I was know for doing the right thing
I wouldn't say that I was always comfortable in my own skin
No I know
But I know

It's like I'm jumping to a pool that I don't know where the bottom end is
... her and I don't know if I am sure of this
But I live for the moment
My life on the turn when it comes down to this

And when I am sure of this
And when it comes down to this
And when I am sure of this
And when it comes down to this
And when I am sure of this
And when it comes down to this
