

# Monkey On Your Back

## Turbonegro

You say the monkey is unclean  
You say the monkey is obscene  
I've seen the monkey and his deeds  
I tell you brother, set him free  
You paint it white, I'll paint it black  
I'll be the monkey on your back  
You claim the monkey made you fall  
You claim the monkey shaved your balls  
I dig the monkey and his scene  
I met that mother in a dream
