

Souljacker Part 1

Eels

22 miles of hard road
33 years of tough luck
44 skulls buried in the ground
Crawling down through the muck
Oh yeah Johnny don't like the teacher
Johnny don't like the school
One day Johnny gonna do somethin'
Show 'em he's nobody's fool
Oh yeah Sisters Brothers make better lovers
Family Affairs down under the covers
trailer park the broken hearts
won't let you leave until you're bleeding Sally don't like her daddy
Sally don't like her friends
Sally and Johnny watchin' TV
Waitin' for it to end
Oh yeah Wooh! Sisters Brothers make better lovers
Family Affairs down under the covers
trailer park, the broken hearts
won't let you leave until you're ROCK! Waaaa whoo
Ha Ha Ha Ha Wha Ha Ha Ha Ha... Woo! 22 miles of hard road
33 years of tough luck
44 skulls buried in the ground
Crawling down through the muck
Oh yeah
