Rat King

Emmure

We are the hate (we are the hate) that you created (that you created)
Born again in the grave you tried to put us inNo, no we will not be stopped
You can kill me, but you can't kill us all
And when they come to test your faith
Will you still believe in me?Cause I believe in you, I believe in you
We are the scarred, beautiful and flawedNobody's perfect, don't believe the hype
It's time you open your fucking eyes
And take a look inside, I am inside of you, I am inside of youSo no, you can kill me, but you can't kill us all
And when they come to test your faith
Will you still believe in me?Cause I believe in you, I believe in you
We are the scarred, beautiful and flawedNobody's perfect, don't believe the hype
It's time you open your fucking eyes
And take a look inside, I am inside of you, I am inside of you
