

# Whatever U Want (DJ Cipha Sounds Remix)

[Christina Milian](#)

Once again it's on  
And we gonna ride out  
Once again till dawn  
Cut the lights out  
Once again till morn  
Keep the lights out  
Till the end of the song You're feelin' me,  
And it's got you all fired up,  
Tryin' to walk away  
Cause you don't want your heart tied up But I can feel the proof when your holdin' me  
Like to let you think your controllin' me,  
Even thought that ain't the deal,  
When I want I take the wheel, and I know  
Can't hide that your really into me,  
Hold is so tight I can barely breathe  
Cause you know I keep it real  
Giving you what you can feel Whatever you want I got it,  
Whatever you need that's me  
Feelin' the flow, don't stop it  
Whatever you need I'll be  
Whatever you want I got it,  
Whatever you need that's me  
Feelin' the flow, don't stop it  
Whatever you need I'll be Your frontin' like,  
You don't want no one to know  
But it's in your eyes  
That you don't want me to go But I can feel the proof when your holdin' me  
Like to let you think your controlin' me,  
Even thought that ain't the deal,  
When I want I take the wheel, cause I know  
Can't hide that your really into me,  
Hold is so tight I can barely breathe  
Cause you know I keep it real  
Giving you what you can feel Whatever you want I got it,  
Whatever you need that's me  
Feelin' the flow, don't stop it  
Whatever you need I'll be  
Whatever you want I got it,  
Whatever you need that's me

Feelin' the flow, don't stop it  
 Whatever you need I'll be We gonna get it started, OK  
 Now go get the party jumpin' like me,  
 Who crunk it like me,  
 Lotta of guys here but none is like me  
 Though some could try to be  
 With two or three chains up under the white tee  
 And i got two or three dames that's comin' tonight, See em, done tonight leave,  
 Like one, aight peace  
 Only Mike puts up numbers like these,  
 And he's no longer playin,  
 But neither am I, so  
 What I'm sayin is hop in the deuce seater with I  
 Cause you know with them boots  
 And that beater you fly,  
 Other dudes act to cheap with the pie,  
 Won't drop a few pennies,  
 Or cop you a guinea, but I'll cop you as many,  
 Toast till the bottles all empty,  
 Like pardon the Bravado in me  
 Us two that's a plan somehow,  
 Get to know each other later,  
 Let's dance for now, c'mon Whatever you want I got it,  
 Whatever you need that's me  
 Feelin' the flow, don't stop it  
 Whatever you need I'll be  
 Whatever you want I got it,  
 Whatever you need that's me  
 Feelin' the flow, don't stop it  
 Whatever you need I'll be Whatever you want I got it,  
 Whatever you need that's me  
 Feelin' the flow, don't stop it  
 Whatever you need I'll be  
 Whatever you want I got it,  
 Whatever you need that's me  
 Feelin' the flow, don't stop it  
 Whatever you need I'll be Whatever you want I got it,  
 Whatever you need that's me Whatever you want I got it,  
 Whatever you need that, that's me
