Manboy

Eric Saade

You've got the looks
You've got the beauty inside
You've got the looks that money can't buy
You wanna live like all the stars on TV
You wanna love with someone like me
Give me love
Give me love
And don't go
Give me love
Give me, give me lo-o-o-ove
Manboy, manboy
You can call me manboy
I don't care I'll show you how to love
There's no halo 'round my head, no
There's no angels here
Manboy, manboy
You can call me manboy
Oh oh oh oh oh
Manboy
You're gonna see
You're gonna know what I mean
'Cause I am more than you believe
I know they're strong
The feelings I have for you
I know they're strong
I'll show they are true

Give me love
Give me love
And don't go
Give me love
Give me, give me lo-o-o-ove
Manboy, manboy
You can call me manboy
I don't care I'll show you how to love
There's no halo 'round my head, no
There's no angels here
Manboy, manboy
You can call me manboy

Oh oh oh oh oh
Manboy
Manboy, manboy
You can call me manboy
Oh oh oh oh
Manboy, manboy
You can call me manboy
I don't care I'll show you how to love
There's no halo 'round my head, no
There's no angels here
Manboy, manboy
You can call me manboy
Oh oh oh oh oh
Manboy
