Down Into Muddy Water

Krystal Keith

Now you left me here and went out on the town
I don't know when I've been so down
The sky is dark, the moon's blue
I don't know what I'm gonna do
It's like falling down into muddy waterI've got the sound turned off on my old TV
And the radio's on playin' B.B. King
I watch old movies and I listen to the blues
Sittin' here waitin' up on you
It's like falling down into muddy water[CHORUS]
The clock on the wall keeps rollin' on
Two o'clock, three o'clock, four o'clock, five
And baby, you still ain't homeI fall sound asleep in a straight-backed chair
Morning comes and you still ain't here
Oh Lord, I've had enough
Holdin' on to faithless love
It's like falling down into muddy water[CHORUS]
The clock on the wall keeps rollin' on
Two o'clock, three o'clock, four o'clock, five
And baby, you still ain't homeNow you left me here and went out on the town
I don't know when I've been so down
The sky is dark, the moon's blue
I don't know what I'm gonna do
It's like falling down into muddy waterIt's like falling down into muddy waterI'm falling down
I'm falling down into muddy waterI'm falling down
I'm falling down, down, down into muddy water
