

Jungle Jezebel

Divine

Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel You sissy, you sissy
You're just like Jungle Jim
Be careful where you sleep tonight
You don't know where it's been You wimp, you wimp
Say who you callin' a blimp?
I ain't your aunt Jamima
And honey, you ain't my pimp Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel The natives sure look hungry
Well, throw me in the pot
Great googala moogala
They're servin' me up hot Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel Now who you callin' a jezebel?
Your mama, your mama, your mama, your mama
Open sesame, open sesame, open sesame
Open sesame, open sesame Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel You wimp, you wimp
Say who you callin' a blimp?
I ain't your aunt Jamima
And honey, you ain't my pimp Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel
