

Surrender

Elvis Presley

When we kiss my heart's on fire
Burning with a strange desire
And I know, each time I kiss you
That your heart's on fire too
So, my darling, please surrender
All your love so warm and tender
Let me hold you in my arms, dear
While the moon shines bright above
All the stars will tell the story
Of our love and all it's glory
Let us take this night of magic
And make it a night of love
Won't you please surrender to me?
Your lips, your arms, your heart, dear
Be mine forever, be mine tonight
