

# Be My Downfall (Live 2014)

[Del Amitri](#)

The bus is pulling out and I guess I'd better go  
Before I make a grave mistake and let my feelings show  
And twenty miles away she waits alone for me  
But when I try to picture her you're the one I see  
And in another situation I could put up a fight  
But you will be my downfall tonight So the night is coming down, drowning us in blue  
And it all points towards the things we know we shouldn't do  
And as I look at you and I fall under your spell  
Well I know I should be thinking of her lying there herself And when faced with temptation you know a man  
should stand and fight  
But you will be my downfall tonight Be my downfall be my great regret be the one girl  
That I'll never forget  
Be my undoing be my slow road to ruin tonight
