

As I Journey

Dr. Pastor Paul Enenche

Lyrics of As I Journey by Dr Paul Enenche

As I journey through this life
To my everlasting home
As I travel on this journey
To my home beyond the sky

Oh Lord please don't leave my hands
Oh Lord please don't let me stray
As I travel on this journey
Till I reach my home at last

There are trials and temptations
As I journey through this land
There are manifold distractions
As I travel on this road

And my victory is certain
As I journey through this land
And my triumph is certain
As I travel on this road
