

Open Arms to Damnation

Born of Osiris

Day by day,
Let's pave the path to escape.
Pave the way.
Tragic endings passed away.
Bring forth sincerity,
Bring forth the change.
This portrait of dishonesty will be slain. I will not hold back.
I will not regret.
I won't hold back.
I won't regret. This place I now call home is nothing more than a fallacy.
Nothing more than a fallacy...
This is not my home...
You got a one way ticket to hell,
With open arms to damnation.
