I Dream

Billie Piper

Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?It's time to tell you of a secret I keep
How I get with you when the world's asleep
I can't wait for the long day to end
Then I can be back in your arms againWhen I close my eyes you are by my side
And I can picture us together
Every night I pray there will be a way
We can make it last foreverI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
I dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
Swear I can really feel it, swear I can really feel itI don't mind living in a fantasy world
I know how it feel to be your girl
And hear you say the sweetest things soft and low
I never want to wake up and let you go, noWhen I close my eyes you are by my side
And I can picture us together
Every night I pray there will be a way
We can make it last foreverI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
I dream I'm dancing with you until we lose control
I dream you're loving me with all your heart and soulSomeday soon I'm gonna make this dream come true
I can't deny that I'm so into you
I want you soon that I forget to breathe air
The feeling grows so strong, I believeCan you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?
Can you feel it, tell me can you feel it?Every night I pray I will find a way
To make it last foreverI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
I dream I'm dancing with you until we lose control
I dream you're loving me with all your heart and soulI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
I dream I'm dancing with you until we lose control
I dream you're loving me with all your heart and soul

Swear I can really feel it, swear I can really feel itI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel it
I dream I'm dancing with you until we lose control
I dream you're loving me with all your heart and soulI dream I'm dancing with you and I can really move
I dream you're kissing me and I can really feel itI believe it's real
